

Legend

Project Components

- Turbine (38)
- Proposed Transmission 115 kV Line
- Collector System
- Access Road
- Substation
- Laydown Area
- Project Location
- 120m Boundary
- 300m Boundary

Other Components

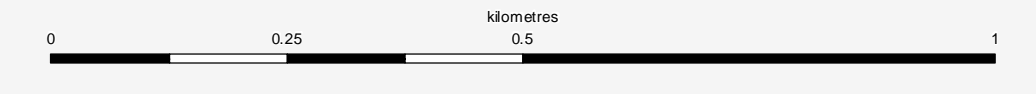

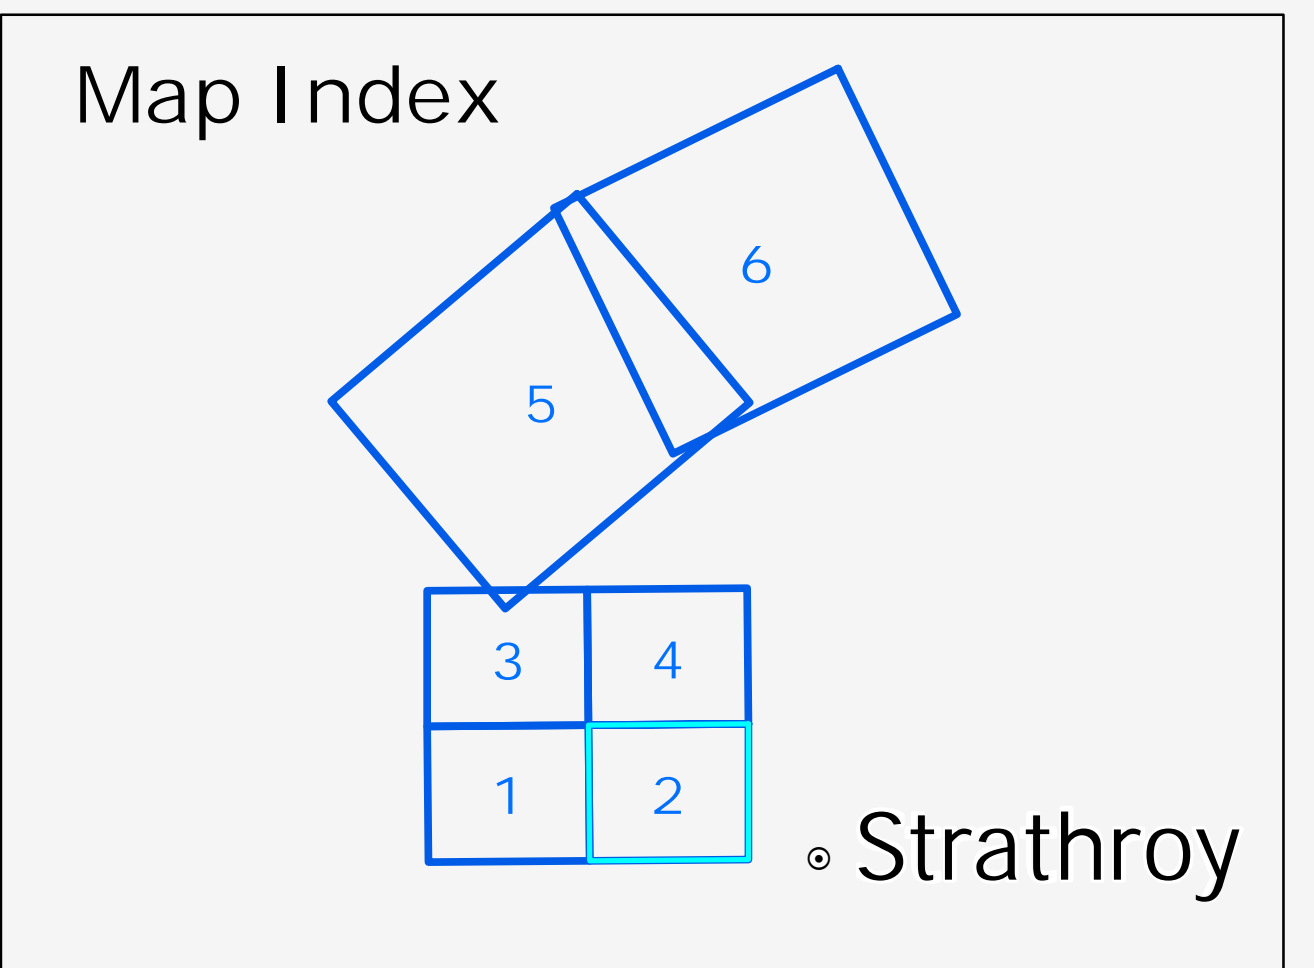

- 1 Storey Receptor
- 2 Storey Receptor
- 3 Storey Receptor
- Vacant Lot Receptor
- Existing 500 kV Line
- Existing Transmission Line
- Railway
- Freeway
- Arterial Road
- Local Road / Street
- Race Track
- Pipeline
- Permanent Watercourse
- Intermittent Watercourse
- Runway
- Transformer Station
- Park / Sports Field
- Residential Area
- Cemetery
- Pit or Quarry
- Waterbody
- Wetland
- Napier Turbine

Significant Natural Features

- Closest Point to Waterbodies
- Woodland
- Wetland
- Valleyland
- Carey's Sedge
- Yellow Stargrass
- Amphibian Breeding Habitat
- Bat Maternity Area
- Raptor Wintering Area

Cultural Heritage

- Structure Locations A
- Structure Locations B

NEXTERA ENERGY

Adelaide Wind Energy Centre
