NOTICE OF PUBLIC MEETING #2
To be held by Kerwood Wind, Inc. regarding a
Proposal to Engage in a Renewable Energy Project

Project Names: Adelaide Wind Energy Centre

Project Location: Adelaide-Metcalf and North Middlesex, Middlesex County, Ontario

Dated at the Municipalities of Adelaide-Metcalf and North Middlesex, Middlesex County this the 19 of June, 2012

Kerwood Wind, Inc., (a wholly owned subsidiary of NextEra Energy Canada, ULC) is planning to engage in a renewable energy project in respect of which the issuance of a renewable energy approval is required. The proposal to engage in the project and the project itself is subject to the provisions of the *Environmental Protection Act* (Act) Part V.0.1 and Ontario Regulation 359/09 (Regulation). This notice must be distributed in accordance with section 15 of the Regulation prior to an application being submitted and assessed for completeness by the Ministry of the Environment. **The purpose of the meeting is to provide residents an opportunity to review and discuss the draft documentation related to the Project's Renewable Energy Approval (REA).**

Public meetings will be held for the project on the following dates:

DATE: July 11, 2012
TIME: 4:00 p.m. to 7:00 p.m.
PLACE: Ailsa Craig Community Centre
155 Annie Aida Shipley Street, Ailsa Craig

DATE: July 12, 2012
TIME: 4:00 p.m. to 7:00 p.m.
****CHANGE OF VENUE****
PLACE: Amy's Restaurant and Banquet Hall
228537 Centre Road, Strathroy

The change of event location for our July 12th event was due to community input and preference for a larger venue.
Please note that the meetings will be in an Open House format allowing attendees to visit any time during the event.

Project Description: Pursuant to the Act and Regulation, the facility, in respect of which this project is to be engaged in, is a Class 4 Wind Facility. If approved, this facility would have a total maximum name plate capacity of 59.9-megawatts (MW). The proposed Project Location is described in **Figures 1 and 2.**

Documents for Public Inspection:

The Draft Project Description Report titled "Project Description Report – Adelaide Wind Energy Centre" describes the project as consisting of a maximum of 37 GE 1.62 MW turbines (although the REA is seeking approval for 38 turbine locations), a pad mounted transformer at each turbine, 2 transformer substations, a switchyard, underground electrical collection lines and an overhead transmission line, turbine access roads, an operations building, meteorological towers and construction staging areas.

Kerwood Wind, Inc. has prepared the following draft supporting documents in order to comply with the requirements of the Act and Regulation: Project Description Report; Construction Plan Report; Design and Operations Report; Decommissioning Plan Report; Wind Turbine Specifications Report; Natural Heritage Assessment Report; Water Assessment and Water Body Report; Stage 1 and 2 Archaeological Assessment Reports; Heritage Assessment Report; and Noise Study Report.

Written copies of these draft supporting documents have been available for public inspection since May 9, 2012 at www.NextEraEnergyCanada.com and at the Adelaide-Metcalf, North Middlesex Municipal offices and Middlesex County office:

Adelaide-Metcalf Municipal Office
2340 Egremont Drive
Strathroy, Ontario

North Middlesex Municipal Office
229 Parkhill Main Street
Parkhill, Ontario

Middlesex County
399 Ridout Street North
London, Ontario

Written copies will also be available for review at the public open houses.

Comments received on or before July 19, 2012 will be included in our Public Consultation report to the Ministry of the Environment. Should you wish to provide comments after this date, they can be forwarded directly to the Ministry of the Environment.
