

**APPENDIX E      SITE PLAN MAPS MODIFIED**

**Legend**

<b>Project Components</b>	<b>Other Components</b>
Wind Turbine (38)	1 Storey Receptor
Meteorological Tower	2 Storey Receptor
Collection System	3 Storey Receptor
Alternative Collection Line	Vacant Lot Receptor
Alternative Directional Drilling	Existing 500 kV Line
Access Road	Transmission Line
Proposed Transmission 115 kV Line	Railway
Substation	Freeway
Laydown Area	Arterial Road
Project Location	Local Road / Street
120m Boundary	Pipeline
300m Boundary	Permanent Watercourse
	Intermittent Watercourse
<b>Significant Natural Features</b>	Transformer Station
Closest Point to Waterbodies	Park / Sports Field
Woodland	Residential Area
Wetland	Cemetery
Valleyland	Pit or Quarry
Amphibian Breeding Habitat	Waterbody
Bat Maternity Area	Wetland
Raptor Wintering Area	Napier Wind Turbine
<b>Cultural Heritage</b>	
Structure Locations A	
Structure Locations B
