

Legend

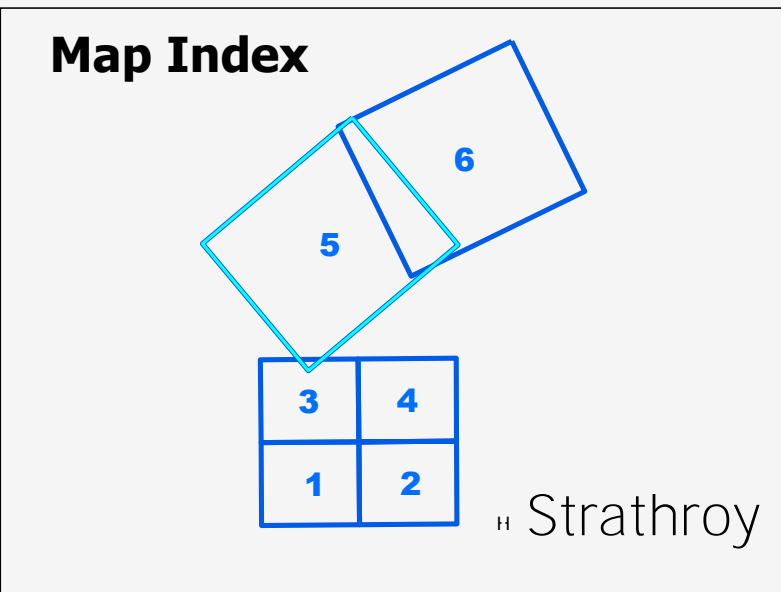

Project Components	Other Components
▲ Wind Turbine (38)	● 1 Storey Receptor
▲ Meteorological Tower	● 2 Storey Receptor
— Collection System	● 3 Storey Receptor
— Access Road	● Vacant Lot Receptor
— Proposed Transmission Line	— Existing 500 kV Line
— Additional Transmission Line Easement	— Transmission Line
— Adelaide Substation	— Railway
— Parkhill Substation	— Freeway
— Substation / Switchyard	— Arterial Road
— O&M Building Area	— Local Road / Street
— Laydown Area	— Pipeline
— Project Location	— Permanent Watercourse
— 120m Boundary	— Intermittent Watercourse
— 300m Boundary	— Runway
	— Transformer Station
	— Park / Sports Field
	— Residential Area
	— Cemetery
	— Pit or Quarry
	— Waterbody
	— Wetland
	▲ Napier Wind Turbine

Significant Natural Features

- Closest Point to Waterbodies
- Woodland
- Wetland
- Valleyland
- Amphibian Breeding Habitat
- Bat Maternity Area
- Raptor Wintering Area

Cultural Heritage

- Structure Locations A
- Structure Locations B
