

Summerhaven Wind Energy Centre

Community Liaison Committee (CLC): Meeting No. 4

Tuesday, December 10, 2013

6:30 p.m. - 8:30 p.m.

Cayuga Kinsmen Community Centre

12 Winnett Street South, Cayuga (Haldimand County)

Open to the General Public - for Observation

A Community Liaison Committee (CLC) has been established as a forum to exchange ideas, share information and provide regular updates on the construction, installation, operation, maintenance and retirement of the Summerhaven Wind Energy Centre ("Facility"). The CLC will *not* re-visit matters previously raised during the proposal/planning stage for the Facility (e.g. location of a Wind Centre in Haldimand County or the subject site, the Green Energy Act, the MOE's approval process, etc.).

This meeting represents the third of four (4) CLC meetings coordinated and facilitated by IBI Group over a two year period, as mandated by the Minister of Environment's March 2012 Renewal Energy Approval (REA) for the Facility. All meeting materials (e.g. agendas, minutes, presentations, reports, etc.) are available for public review at www.NextEraEnergyCanada.com.

The CLC meetings will be open to the general public for observation. Brief depositions (up to 3 per meeting, at a maximum of 5 minutes each) may be made by members of the general public, providing the depositions pertain to items on the meeting agenda (i.e. the construction, installation, use, operation, maintenance and retirement of the Facility). Depositions will be selected at the discretion of the CLC Chair and the Company, in consultation with CLC members.

In order to be considered for a public deposition, please submit a request and the actual written deposition, at least 3 business days in advance of a planned CLC meeting, to Amy Shepherd of IBI Group:
