RE: Modifications to Summerhaven Wind Energy Centre project location

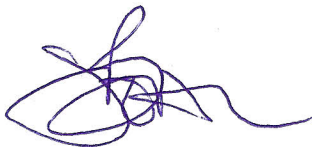

Dear Mr. Bird,

The Ministry of Natural Resources (MNR) has received the document dated June 13, 2011 which describes modifications to the Summerhaven Wind Energy Centre project location made subsequent to MNR's letter confirming the Natural Heritage Assessment in respect of the project.

Upon review of the modifications, MNR is satisfied that the Natural Heritage Assessment requirements of Ontario Regulation 359/09 have been met. Please add this letter as an addendum to the confirmation letter issued May 30, 2011 for the Summerhaven Wind Energy project.

If you wish to discuss, please contact me at jim.beal@ontario.ca or 705-755-3203.

Sincerely,

Jim Beal
