

NOTICE OF A PROPOSED CHANGE TO AN APPROVED RENEWABLE ENERGY PROJECT

Project Name: Suncor Energy Cedar Point Wind Power Project

OPA Reference Number: F-002175-WIN-130-601

Project Location: Municipality of Lambton Shores, Township of Plympton-Wyoming, Township of Warwick, Lambton County

Dated at: the above noted locations this the 10th day of June, 2016.

Suncor Energy Products Inc. (SEPI) received a Renewable Energy Approval number 6914-9L5JBB (REA) on August 22, 2014 for the Cedar Point Wind Power Project (Project). On July 14, 2015, SEPI filed REA amendment application materials to amend the name of the permit holder from SEPI to Cedar Point II Limited Partnership (CP II LP). The REA was subsequently amended on August 4, 2015 to reflect the revised permit holder. Information with respect to the decision on this project can be viewed on the Environmental Registry by searching EBR #012-0630.

CP II LP is proposing to make a change to the project and the project itself is subject to the provisions of the *Environmental Protection Act* of Ontario (Act) Part V.0.1 and Ontario Regulation 359/09 (Regulation). This notice is being distributed to make the public aware of a **proposed change to the project**.

Project Description and Proposed Change:

Pursuant to the Act and Regulation, the project in respect of which the REA was issued, is a Class 4 wind facility. An application has been made to the Ministry of the Environment and Climate Change to **change the project** and alter the terms and conditions of the existing REA. The proposed change consists of:

1. The storage of a spare transformer within a transformer spill containment facility located at the project substation.

If approved with this change, the total maximum name plate capacity will remain unchanged at 100 MW. The project location, taking the proposed changes into account, is described in the map above.

Documents for Public Inspection:

CP II LP has been required to update the supporting documents that are required to form part of the application or which must otherwise be submitted to the Ministry of the Environment and Climate Change available to the public. Written copies of the supporting documents are available for public inspection on the project website (www.suncor.com/cedarpointwind).
