

NOTICE OF POSTING TO THE ENVIRONMENTAL REGISTRY

Regarding a Proposal to Engage in a Renewable Energy Project by Suncor Energy Products Inc.

Project Name: Suncor Energy Cedar Point Wind Power Project (the "Project")

Project Location: Municipality of Lambton Shores, Township of Plympton-Wyoming, Township of Warwick, Lambton County

Dated at: the above noted locations this the 6th of December, 2013.

Suncor Energy Products Inc. is planning to engage in this renewable energy project in respect of which the issuance of a Renewable Energy Approval (REA) is required. The proposal to engage in the Project and the Project itself are subject to the provisions of the Environmental Protection Act of Ontario (Act) Part V.0.1 and Ontario Regulation 359/09 (Regulation). This notice is being distributed in accordance with Section 15 of the Regulation following posting of the Project on the Environmental Registry.

Project Description and Documents for Public Inspection:

Pursuant to the Act and Regulation, the Project is considered to be a Class 4 wind facility. If approved, this facility would have a total maximum nameplate capacity of 100 MW and consist of up to 46 wind turbines. The Project would also include access roads, meteorological towers, electrical collector lines, a transmission line, and a substation. The proposed Project layout is described in the map below.

Suncor Energy Products Inc. has obtained or prepared, as the case may be, supporting documents in order to comply with the requirements of the Act and Regulation. Copies of all final submitted documents are available for public inspection at: www.suncor.com/cedarpointwind

Environmental Bill of Rights

1993: A proposal for a Renewable Energy Approval in respect of this renewable energy project has been posted on the

Environmental Registry (www.ebr.gov.on.ca; Registry Number: 012-0630) referred to in Section 5 of the Environmental Bill of Rights, 1993 and comments in respect of the proposal may be submitted to the Director. All comments received prior to February 3, 2014 will be considered as part of the decision-making process by the Ministry of the Environment if they are submitted in writing or electronically using the form provided in the Environmental Registry notice.
