AGENCY
FOR THE SETTLEMENT
OF THE CROWN LANDS,
IN THE
WELLINGTON & HURON DISTRICTS.
JUNE, 1849.

THE undersigned, Agent appointed by His Excellency the Governor-General for the Settlement of the Crown Lands in the Townships of Glenelg, Bentinck, Brant, Greenock, Kincardine and Kinloss, in the Counties of Waterloo and Huron, hereby gives Notice to all persons willing and having means of Locating therein, that his Office is at the Village of Durham in the Township of Bentinck, on the Garafraxa Road, where he will receive the application of the Settlers, every day of the week, between the hours of NINE and FIVE o'clock. Fifty Acres of Land will be given to any

Settlers eighteen years old, and a subject of Her Majesty, who will present himself provided with a Certificate of probity and sobriety, signed by known and respectable persons, and having the means of providing for himself until the produce of his Land is sufficient to maintain him. The bearer of that Certificate shall mention to the Agent (who will keep a Registry thereof) his name, age, condition, trade or profession whether he is married, and if so the name and age of his wife, how many children he has, the name and age of each of them, where he is from, whether he has somewhere any property and in what Township he wishes to settle.

The conditions of the Location Ticket are—to take possession within one month after the date of the Ticket, and to put in a state of cultivation at least Twelve Acres of the land in the course of four years—to build a house and to reside on the lot until the conditions of settlement are duly fulfilled, after which accomplishment only shall the Settler have the right of obtaining a title of property. Families comprising several Settlers entitled to lands, preferring to reside on a single lot will be exempted from

the obligation of building and of residence, (except upon the lot on which they reside) provided the required clearing of the land is made on each lot. The non-accomplishment of these conditions will cause the immediate loss of the assigned lot of land, which will be sold or given to another.

The land intended to be settled is of the very best description, and well timbered and watered.

The Roads will be opened to a breadth of 66 feet, and the land on each side will be divided into lots of 50 acres each, to be gratuitously given.

Besides the principal Road there will be two others (one on each side of the principal Road) marked out on the whole extent of the territory, and on which free Locations of 50 acres will be made:

But as the Government only intend to meet the expenses of Survey on those additional Roads, the Grantees will have to open the road in front of their locations.

The most direct route to reach the Agency on the Garafraxa Road is by way of Guelph and Elora in the Wellington District
GEORGE JACKSON,
Agent for Settlement of the Durham Road.
