Dear Ms. Dumais:

**Subject: NextEra Energy Canada, East Durham Wind Energy Project**

We are writing this letter (in accordance with Ontario Regulation 359/09) to share more information with you about our East Durham Wind Energy Centre in southwestern Ontario.

First, we enclose a copy of a Notice, which explains that a Draft Site Plan is being issued for the East Durham Wind Energy Centre. Issuing this Draft Site Plan confirms the existing noise receptors (houses, etc.) that we must consider in planning our Project.

Second, we enclose a copy of the actual Draft Site Plan. This Draft Site Plan will provide you with information on the Project Components and their proposed locations. The report can also be downloaded from our website at [www.NextEraEnergyCanada.com](http://www.NextEraEnergyCanada.com).

Please do not hesitate to contact me should you have any questions.

Sincerely,

Thomas Bird  
Environmental Services Project Manager
