Rick Chappell,
District Manager - Owen Sound,
101-17th Street East,
Owen Sound ON N4K 0A5

Dear Mr. Chappell:

Subject: NextEra Energy Canada, East Durham Wind Energy Project

We are writing this letter (in accordance with Ontario Regulation 359/09) to share more information with you about our East Durham Wind Energy Centre in southwestern Ontario.

First, we enclose a copy of a Notice, which explains that a Draft Site Plan is being issued for the East Durham Wind Energy Centre. Issuing this Draft Site Plan confirms the existing noise receptors (houses, etc.) that we must consider in planning our Project.

Second, we enclose a copy of the actual Draft Site Plan. This Draft Site Plan will provide you with information on the Project Components and their proposed locations. The report can also be downloaded from our website at www.NextEraEnergyCanada.com.

Please do not hesitate to contact me should you have any questions.

Sincerely,

Thomas Bird
Environmental Services Project Manager
