Subject: NextEra Energy Canada, East Durham Wind Energy Project

Dear Mr. Turner:

We are writing this letter (in accordance with Ontario Regulation 359/09) to share more information with you about our East Durham Wind Energy Centre.

First, we enclose a copy of a Notice, which explains that a Draft Site Plan is being issued for the East Durham Wind Energy Centre. Issuing this Draft Site Plan confirms the existing noise receptors (houses, etc.) that we must consider in planning our Project.

Second, we enclose two copies of the actual Draft Site Plan. This Draft Site Plan will provide you with information on the Project Components and their proposed locations. We are providing one copy for internal review and we ask that you make the second copy available to members of the public who may like to review the report. The report can also be downloaded from our website at [www.NextEraEnergyCanada.com](http://www.NextEraEnergyCanada.com).

Please do not hesitate to contact myself or Derek Dudek ([Derek.Dudek@nexteraenergy.com](mailto:Derek.Dudek@nexteraenergy.com)) should you have any questions.

Sincerely,

Thomas Bird  
Environmental Services Project Manager
